ANDREA ROBINSON DDS

aesthetic dentistry

Dr. Andrea Robinson has been in private practice for 12 years. In that time, she has not only honed her skills as an exceptional dentist, but has continued to gain new skills, especially in the realm of cosmetic dentistry. She came to MediaFit looking for an impactful and somewhat edgy campaign (for a dentist!). MediaFit provided a new foundation for communication with:

- A new brand positioning
- An updated logo
- High style print ads
- A new website

Within days of her first ad campaign hitting the market, Dr. Robinson had new patients calling to make appointments and current patients calling to congratulate her on the ads.

"MediaFit has been a great addition to my team. They are fun yet edgy ground breakers. They definitely got us out there and noticed. The results have been fabulous."
