

With the determination and focus of someone much older, this 19 year old is getting ready to show the open wheel racing community what a young American can do. Mike Hill joined up with one of the leading teams in the Firestone Indy Lights Series, Sam Schmidt Motorsports. With strong support from both the team and the series MediaFit developed a logo, tagline, sell kit and is currently developing a website that would highlight the built in activation that a sponsor can enjoy are included in the sponsorship.

These opportunities include:

- In pit hospitality for 20 guests at 10 races
- Pace car ride alongs with Mike
- Television spots on VS during Indy Lights races
- Display space at the Indianapolis 500
